

**GX™**

The Essential Painting Tool  
for Professionals

## PROFESSIONAL ADVANTAGES

- Ideal for renovation and new construction family house painting
- Finish every job, every day thanks to ProXChange™ fast pump replacement system
- Compact, lightweight and easy to use

# The Essential Painting Tool for Professionals

With the GX™ line of Airless Sprayers, Graco allows every professional to recap the commonly recognized **benefits of AIRLESS Painting:**

- **SPEED AND EFFICIENCY:**  
finish your jobs faster
- **UNIFORM APPLICATION:**  
apply an even layer of paint on every surface
- **BETTER FINISH:**  
does not leave streaks like with a roller or a brush
- **EASY HANDLING:**  
take your sprayer with you wherever you go

Maybe you have not had the opportunity yet to experience the benefits of spraying Airless first hand? Then here is your chance!

*"A true Airless for professionals has never been this affordable. "*

If ever you had any reservations to switch from your brush and roller to Airless equipment, we have now made the decision easier! Because of its innovative design, Graco's GX™ line let's you make your first step into Airless spray equipment, with a limited investment risk.

*You are an Airless painter?* You already know you can finish more jobs quicker, with a better finish ... What we CAN tell you is that with Graco's GX™ line you will now be able to transfer these benefits into even more jobs!

Why only stick to Airless painting for exterior jobs, or bigger commercial projects? Why not use Airless for interior renovation jobs as well? Start now with the GX™ Airless paint sprayers that are:

- still the professional equipment you're used to working with, but in a more compact and easier to carry version
- designed to offer its benefits at an all time low investment
- ideal to spray your second color and increase your productivity on small jobsites

## ProX™ Power-Piston Pump

- Exceptional durability and long life piston pump
- Exclusive, lifetime lubricated wiper pad for maintenance free operation
- Modular pump components for easy maintenance

## Flexible Clear Tubing

Easy to use and clean. Spray water or solvent-based finishes directly from 1 to 30 Liter containers.

## Convenient Drip Cup

Eliminates the chances for paint drips.

**Professional FTx™-E gun**  
with RAC X™ tip, 15m hose

## Direct Immersion Design

Draws paint directly from paint buckets.

## Extreme Portability

Easily carry your sprayer

#### Hopper (5.7 Liter) – Tool less removal

- Ideal for small amounts of material
- Lid included for spill-proof portability

**Professional SG3™ -E gun**  
with RAC X™ tip, 7.5m hose

#### Adjustable Pressure Control

Allows spraying or rolling a wide range of coatings.

#### PushPrime™

Assures fast priming every time — loosens stuck inlet check valve in case of priming issues.

#### Pressure Gauge

Professional oil-filled pressure gauge

### Transform your GX unit into the optimal renovation painting tool

#### JetRoller™

##### Extend your sprayer

Use your preferred roll and combine rolling & spraying into 1 operation. Extend your sprayer with the JetRoller and minimize application time when combining rolling and spraying into one operation.

#### Benefits:

- Uses commonly available 18 or 25 cm roller covers.
- Completes large jobs in half the time of traditional methods
- Reduces overspray
- Eliminates reaching
- Eliminates climbing and continually reaching up and down

Kit includes a lightweight detachable roller frame, 50 cm extension, CleanShot™ Shut-Off™ valve, Inline™ gun, spray tip and guard.

## ProXChange™ Pump Replacement System

### The Easy & Fast Pump Repair System

In 4 simple steps, you can remove and replace the pump cartridge.

- No tools needed to remove pump
- Simply lift door to remove pump!

Slide & lift open access door

Remove pump section

Use frame hex fitting to loosen pump and remove cartridge

Install new cartridge and replace pump

#### ! TIP

**Replacement Pump**  
Avoid downtime by keeping a spare replacement pump on-hand !
